

This demo covers some different mechanisms of passing information to the pdf generator engine, providing resources like images and fonts for it and rendering different data structures.

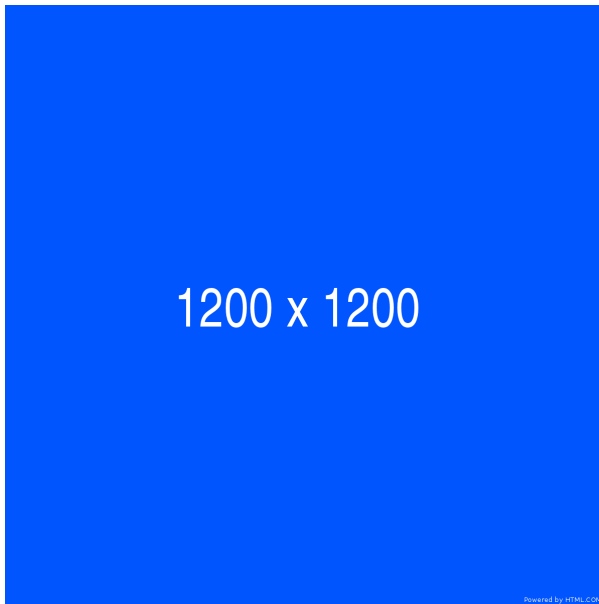

*This text is rendered with a font  
loaded from "Lobster.ttf" coming  
from the template bundle!*

And this text is rendered with a font loaded from "Handlee.woff2" coming from [Google Fonts](#)!

This image is loaded from  
"image.png" coming from the  
template bundle:

But this one is loaded from  
[placeholder.com](https://placeholder.com):

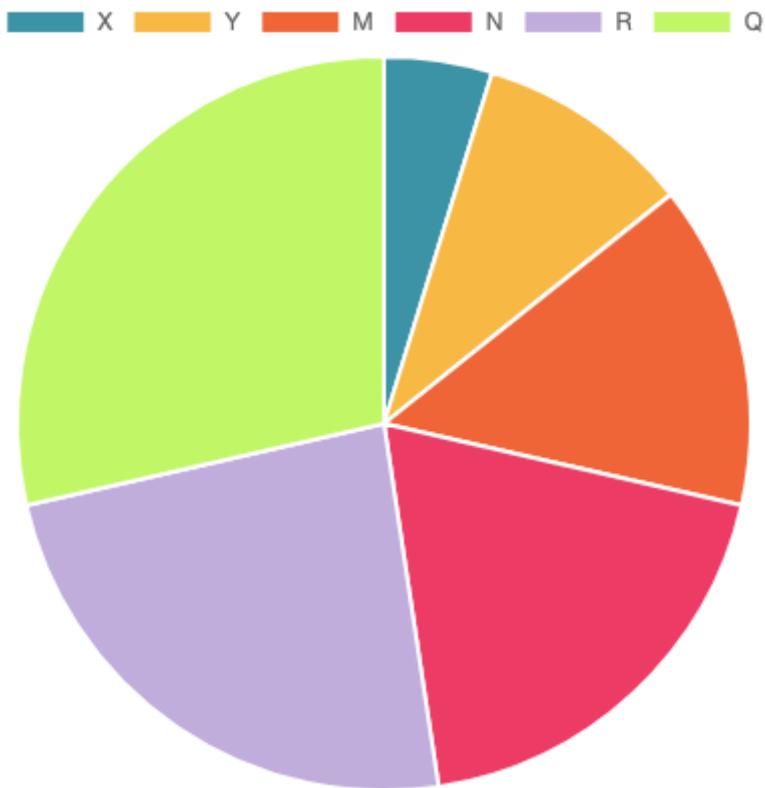

This progress bar is rendered with a stylesheet loaded from "styles.css" coming from the template bundle:

This other progress bar is rendered with a stylesheet loaded from "bootstrap.min.css" coming from [jsDelivr CDN](#):

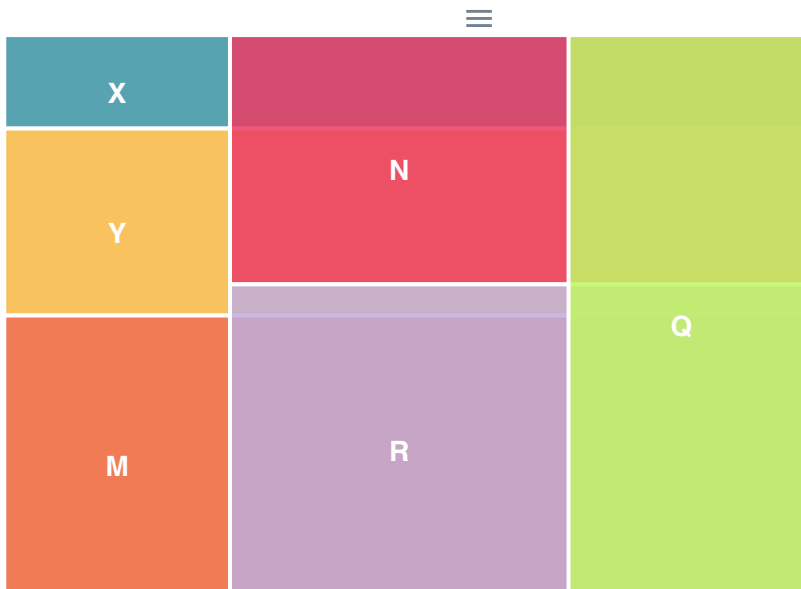

This chart is rendered with a script loaded from "chartjs.min.js" coming from the template bundle:

And this other chart is  
rendered with  
APEXCHARTS.JS coming  
from [jsDelivr CDN](#):

Timestamp:

2022-12-14T10:25:07.900Z

This text is a simple  
Handlebars placeholder:

Lorem ipsum dolor sit amet consectetur  
adipiscing elit.

This text is rendered using  
Handlebars' built-in "#if"  
helper:

Flag is defined!

These articles are rendered  
using Handlebars' built-in  
"#each" helper:

- ABCD: Abcd content
- EFGH: Efgh content
- IJKL: Ijkl content
- MNOP: Mnop content
- QRST: Qrst content

These names are rendered by a nested object in "script.js" file coming from the the template bundle:

- Sarah
- John
- Alex
- Daniel
- Helen
- Jessica

These color names are rendered by a nested object:

Raw data:

```
{"warm": ["Red", "Yellow", "Orange"], "cold": ["Green", "Blue", "Gray"]}
```

Processed data:

- Green
- Blue
- Gray
- Red
- Yellow
- Orange

## Raw data:

```
{"Age":"38","Name":"John Doe","Birthday":"1985/20/06","Address":"Silicon Valley"}
```

## Rendered using Handlebars templeage tags:

- Age: 38
- Name: John Doe
- Birthday: 1985/20/06
- Address: Silicon Valley

## Rendered in a script tag:

- Age: 38
- Name: John Doe
- Birthday: 1985/20/06
- Address: Silicon Valley
